When talking about
marriage,

Allah says your spouses are
garments for you. A garment may
or may not fit perfectly—but either
way, it covers

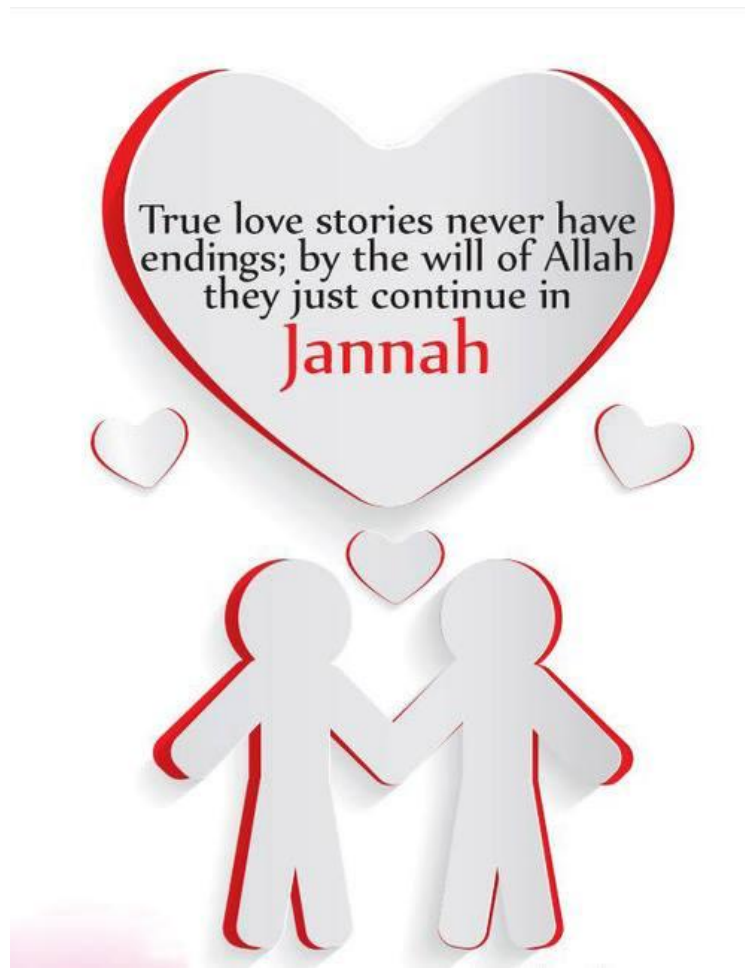

**imperfections,
protects & beautifies.**

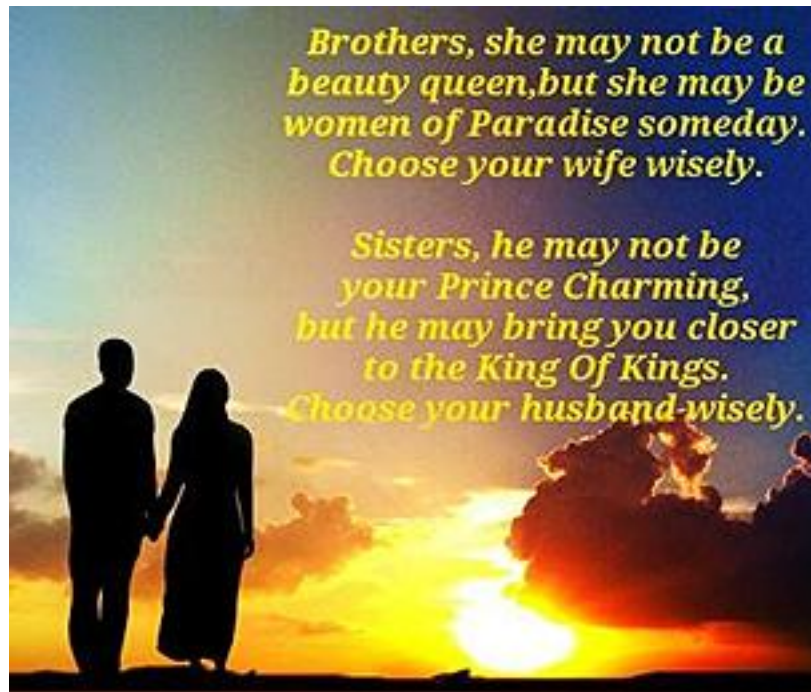

**Love is when your spouse
wakes you up for fajr salaah.
And when one of them is a bit lazy
and doesn't wake up, the other one says;
"If you don't wake up,
I'm going to be one step
ahead of you in Jannah
and then we wont
be together."**

**The best love is when you find
someone who makes your Imaan
rise, who makes you more pious and
who helps you here in the dunya
because that person wants to meet
you again in Jannah.**

Things to Strengthen the Husband-Wife Relationship in Islam

Help

Our Prophet (peace be upon him) stressed the importance of men helping their wives and Allah tells us the importance of women being mates and helpers to their husbands

Trust

Muslims, men and women are ordered to be trustworthy and follow the example of our prophet as the "Trustworthy".

Good Attitude

A Muslim must always have a positive attitude toward life

Time

Spend time together, make a date. fast together on Mondays & Thursdays.

Worship

Our prophet, peace be upon him, used to lead his wife in salat, even though he lived connected to the mosque. He told us not to make our homes like grave yards.

We should offer some of our sunnah prayer at home.

وَقُلِ
الْحَمْدُ لِلَّهِ فَانْ بِهَا
تَطْيِيبُ الْأَحْوَالِ

And say alhamdulillah
(to Allah belongs all praise),
for conditions improve by it.

5 Rules of a Relationship

2. Make them feel loved and wanted.

4. Don't flirt with others.
5. Have time for each other.

Marriage Box

Most people get married believing a myth that marriage is a beautiful box full of all the things they have longed for: companionship, intimacy, friendship, etc. The truth is that marriage at the start is an empty box. You must put something in before you can take anything out. There is no love in marriage. Love is in people. And people put love in marriage. There is no romance in marriage. You have to infuse it into your marriage. A couple must learn the art and form the habit of giving, loving, serving, praising keeping the box full. If you take out more than you put in, the box will be empty.

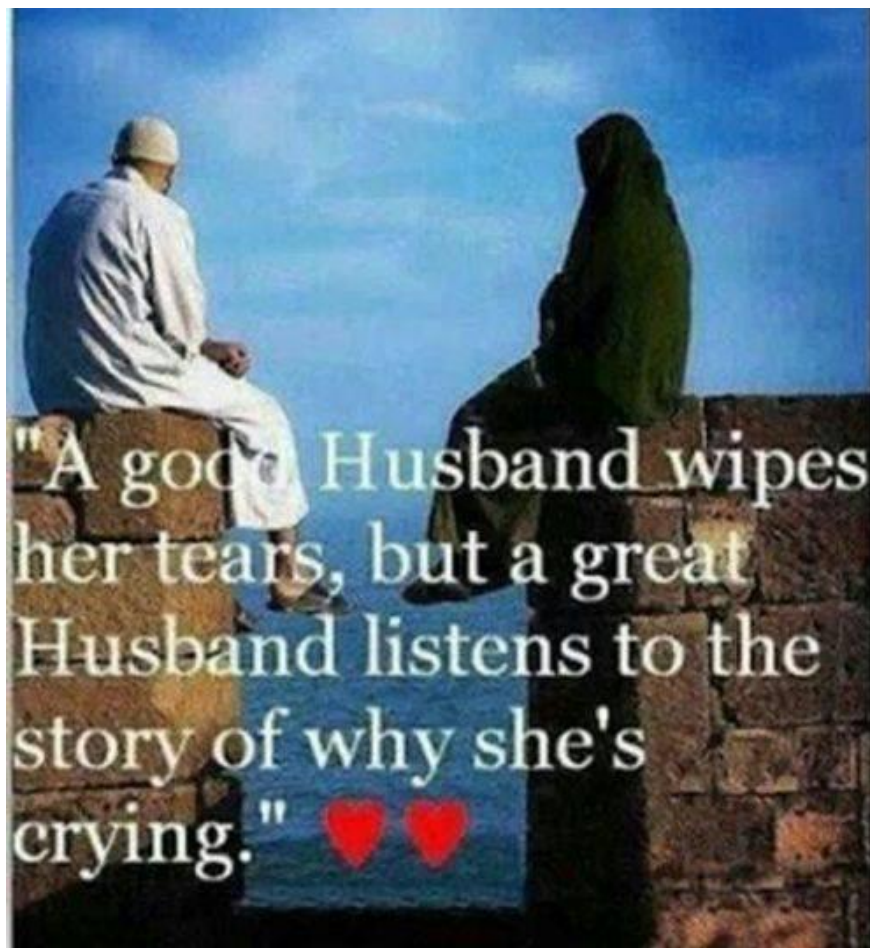

Muhammad صلى الله عليه وسلم cooked, cleaned, and took the trash out. Your wives aren't your maids. They are your partners. Be like **Muhammad** صلى الله عليه وسلم

He feeds his wife every morning when he visits her at the Nursing Home. She hasn't recognised him in five years due to her Alzheimer's, when he was asked, "if she doesn't know who you are, why do you go?" He smiled and said "She doesn't know who I am, but I know who she is!"
Subhaan'Allah

Don't be in a hurry in love, find a companion who can guide you not only in Dunya, but can guide u towards good in the Akhira. Who can pick you up when you fall, who can remind you when you forget, love you with all his might, someone who will hold your hands through thick and thin & lead you to the Jannah ♥

May Allah grant us all such spouses!
Ameen

"A good Husband wipes her tears, but a great Husband listens to the story of why she's crying." ♥♥

عندما يكون الحب في الله، لا يموت

When love is for the sake of Allah, it doesn't die

Our love is the best love
because you make my imaan rise
you help me in the dunya and
for that reason i want to meet you again
in Jannah!
