This is the 13th edition of California Prayer Locations, which began in 1991. It is designed with driving directions to help find prayer locations easily. We hope that this assists our fellow Muslims in maintaining their prayers and responsibilities. The font was reduced to fit in one page, however now you have options of Google Earth, larger fonts, legal & poster sizes, northern and southern California separate. Go to: www.islamicbulletin.org / Mosque Finder The website version (Direction Map) allows you to get driving directions to the mosque by typing your address. If you want to see the Masjid, click on the icon of the little man (pegman) and drag him to the marked location. Magnify the page (zoom in) by clicking on the + (plus) sign. Please notify us of any changes, or additions at info@islamicbulletin.org, or at the address below. Your feedback greatly assists and serves all Muslims by providing a thorough and complete listing.
