

How to recite the Shahada in English and Arabic with audio and video

To become a Muslim you need to recite the “Shahada”

First let’s understand what’s the meaning of the word “Shahada”

The word “Shahada” means “The testimony of faith”

The “Shahada” is two parts

The first part is to testify:

“that there is no God except Allah”

You believe that there is only One God, “Allah”. He alone is the Creator and Sustainer of the Universe. He alone is without partners, children or associates. He is the Most Merciful, the Most Wise, and the Most Just.

The second part is to testify:

“that Muhammad (peace be upon him) is his servant and messenger”

Now let’s recite the “Testimony of faith” in the Polish language.... Then in the Arabic language

Polish:

Now...recite (pronounce) the following words:

“I bear witness that there is no God except Allah

And I bear witness that Muhammad (peace be upon him) is His servant and messenger”

Lets' recite it again one more time in the Arabic language to pronounce it correctly
