بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Assalamu Alaykum wa Rahmat Allah wa Barakatuh,

The Islamic studies textbook series aim to teach children a range of crucial topics in Islam including Aqidah, Fiqh, Sirah, Islamic etiquette in a simple yet joyful way.

The teaching is extensively referenced from the Quran and Hadiths to ensure precise information of the highest quality. The content was adapted to suit the children audience with highly interactive illustrations that will keep the children engaged in learning.

More importantly, the textbooks are accompanied by workbook series that were created to complement the textbooks to form an outstanding, complete package of Islamic studies curriculum.

The workbooks consist of entertaining, interactive exercises that include drawing, colouring, line matching, dots connecting, word-search puzzles, true or false, single best answer questions and much more!

The interactive nature of the books will keep the children engaged with learning and crucially allow them to consolidate the knowledge gained from the textbook series.

Jazakumu Allah Khaiyran and all the best,
Dina Essam
