

Book Proposal

I propose to write a book covering the period of time of the life of the Prophet Muhammad (pbuh).

Enclosed please find a summary of structure.

1. Western style biography.
2. Historical Fiction
3. Propose project for sponsorship
4. Written in the first person, by an old woman (83) talking to her granddaughter
5. Starts by the granddaughter asking her about her life.
6. She is a contemporary of Prophet Muhammad (20 years old when he was born.)
7. 18-24 month research/writing projected.
8. A very readable book that would be geared to the American/Western market
9. It would get people reading about the Prophet's life and then they can really look into Islam
10. Other Islamic books are difficult to read from an American or western point of view
12. One has to already be interested in Islam to pick them up.
